Not only is the Binary Option Robot able to be traded on four different binary option brokers like Banc de Binary, but it features automatic trades that are placed by using one of three successful trading systems choices.

Binary Options vs. Options: What is the Difference?

Binary Options vs. Options, if you are new to trading then you may be slightly confused. What is a binary option and how is it different from a traditional vanilla option? This is indeed an important question as one cannot really be expected to make money trading either without having a theoretical understanding of how they work and what characteristics they share.
