school. Students are

[Credit Recovery Definition - The Glossary of Education Reform](#)

Credit recovery is a term used to describe a wide variety of

educational strategies and programs that give high school

students who have failed a class the opportunity to redo

coursework or retake a course through alternate means and

thereby avoid failure and earn academic credit.

[Credit Recovery Pathways & Student Success](#)

Credit recovery is designed to help regular day school

students at the secondary level meet the expectations of a course they have completed but for which they have received a failing grade.
