[Upright Bass | Musician's Friend](#)

An electric upright bass is an especially distinctive one of those varieties. What stands out most about an electric bass when compared to an acoustic upright bass is that there's so much less of it. Without the need for a big resonating chamber, these instruments are far more compact. That makes them perfect for travelling; when you need a bass that you can pack up and take along without

[Bass guitar - Wikipedia](#)

The bass guitar (also known as electric bass, or simply bass) is a stringed instrument similar in appearance and construction to an electric guitar, except with a longer neck and scale length, and four to six strings or courses.
