PART 1 - PERSONALITY DEVELOPMENT

Personality is the sum total of ways in which an individual reacts and interacts with others. Or Personality is generally defined as the deeply ingrained and relatively enduring patterns of thought, feeling and behavior. In fact, when one refers to personality, it generally implies to all what is unique about an individual, the characteristics that makes one stand out in a crowd. Personalities

Personal Development | Download Free Ebooks, Legally

The book details the status of many of my different ideas in my life as of this moment. Such as: which habits I'm currently running, how this business is doing and what a self-proclaimed atheist feels is the meaning of life.
