Army National Guard's new Med student program details ...

The odds of the National Guard changing their policy and pulling up folks on medical school deferrals is next to nil. The odds of them changing their policy and pulling up folks out of residency deferrals is very low. The odds of you getting pulled up and deployed after residency? Don't know, but I'd imagine it's pretty good right now. In six years? Who knows?

Medical School Scholarships | Medicine + the Military
Medical School Scholarships For future and current medical school students, the Health Professions Scholarship Program (HPSP) offers two-, three- and four-year military scholarships. The HPSP covers civilian medical school tuition, pays for fees, provides a monthly living stipend and includes a signing bonus under certain conditions.
