The American Presidency examines the constitutional precepts of the executive office and the social, economic, political, and international factors that have shaped it. In this updated sixth edition, Milkis and Nelson add new scholarship to every chapter, address the end of George W. Bush's tenure, and in a new chapter explore President Obama's first two years in office. Treating each presidency succinctly, the authors focus on how individual presidents have shaped the executive

List of Presidents of the United States - Wikipedia

The presidency of William Henry Harrison, who died 31

days after taking office in 1841, was the shortest in American history. Franklin D. Roosevelt served the longest, over twelve years, before dying early in his fourth term in 1945.
