Track Your Car with Tile's Tracking Device - Tile

Remember to always leave your Tile app running in the background so that you can see where the last place your app found your tracking device. If you lose your car and are in Bluetooth range (up to 100 ft.), just use your phone app and you should hear the Tile ring. If you are out of range, use our Community Network to find your car and once we detect it, we will let you know.
