Trans-Sister Radio is a controversial, highly original novel about a lot more than gender issues and sexual orientation. It is about the precarious dance on the checkerboard of sex. It is about life choices, lifestyle, tolerance and intolerance, and, above all, a commitment to love. Some might consider the resolution an equivocation, but this book is impossible to put down.

Trans-sister Radio is a novel in five parts - as it is told from four points of view and it also uses excerpts of an NPR radio interview. Like the other novels by Bohjalian that I have read - this novel takes place in a small town in Vermont - which makes the topic that much more interesting - Dana Stevens, a college professor meets and falls in love with Allie - the divorced mother of Carly

"Trans-Sister Radio" is a difficult book to review, because it is a maddening mix of good and bad storytelling. For the first 100 or so pages, I was completely absorbed in a fascinating and realistic love story, only to have the book switch into a bizarre mix of implausible plot turns,

inconsistent characterization, and text-book style writing. More than once after page 100 I questioned the
