Weber does not authorise any person or company to assume for it any other obligation or liability in connection with the sale, installation, use, removal, return, or replacement of its equipment; and no such representations are binding on Weber.

[Locating Your Weber Gas Grill Model/Serial Number - The ...](#)

On an old grill like the first generation Weber Genesis 2, the model and serial number are on a tiny sticker on the frame on the right side of the control panel: L3 is the model number (L for Liquid Propane, 3 for Genesis 2) and the six digits are the serial number. Unfortunately, on some models Weber places the model/serial number sticker on the exterior back panel or frame of the grill
